COUNCIL COMMUNICATION

AGENDA TITLE: Set Public Hearing for July 19, 2000, to Consider Lodi Station Parking Structure Project

MEETING DATE: July 5, 2000

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council set a public hearing for its next regularly scheduled meeting of July 19, 2000, to consider the Lodi Station Parking Structure Project.

BACKGROUND INFORMATION: The Federal Transit Administration, co-funder of the parking structure, requires a public hearing as part of the public participation process. To date, two public meetings and a Shirtsleeve Session have been held to discuss the parking structure. Many of the changes to the design of the project have come from the public's input, including the Lodi Historical Society, on the project.

The City of Lodi's Public Works and Community Development departments, and the Federal Transit Administration, all concur that the parking structure will have no adverse impacts on the historical Lodi Arch. The Sacramento Street façade design has been modified to address the Council's concerns raised at the Shirtsleeve Session.

FUNDING: Not applicable.
